Dear Friends:

Thank you for your very generous gift of \$3,500.00 to Madisonville Community College, specifically for a scholarship for a pre-engineering, mining engineering, or coal mining program student. Gifts such as yours increase educational opportunities by providing much needed support for our students and strengthen the college's ability to carry out its comprehensive mission.

As a contribution to MCC, your gift is defined as tax deductible under criteria established in IRS Code Section 170 and 6115. If you wish, the Advancement Office can provide further tax-related information.

We do thank you for your *continuing* support of the entire college and most importantly our students. People graduate from college because of donors like you.

Best regards,

John Peters
Advancement Director
